TO:

Parties & Intervenors

FROM:

Melanie A. Bachman, Executive Director

RE:

DOCKET NO. 470B – NTE Connecticut, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 650-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection

switchyard located at 180 and 189 Lake Road, Killingly, Connecticut.

On June 21, 2019, pursuant to the provisions of Connecticut General Statutes §4-181a(a), the Connecticut Fund for the Environment, Not Another Power Plant, and the Sierra Club filed a Joint Petition for Reconsideration and Clarification (Joint Petition) of the Connecticut Siting Council's (Council) June 7, 2019 decision to grant a Certificate of Environmental Compatibility and Public Need to NTE Connecticut, LLC for the above-referenced electric generating facility and associated electrical interconnection switchyard located in the Town of Killingly.

The Joint Petition will be placed on the Council regular meeting agenda scheduled for July 18, 2019 for Council consideration.

Parties and intervenors are requested to submit comments or statements of position in writing to the Council with respect to whether the Joint Petition should be granted or denied before the close of business on July 8, 2019.

MAB/MP/laf
